

"BETTER"

comic by Evelyn Tian

I have always been...

A GOAL-SETTER.

Some say that with enough time and effort, you can become anything.

I am getting there.

The more I do, however, the further I feel from my goal.

BECOME HER.

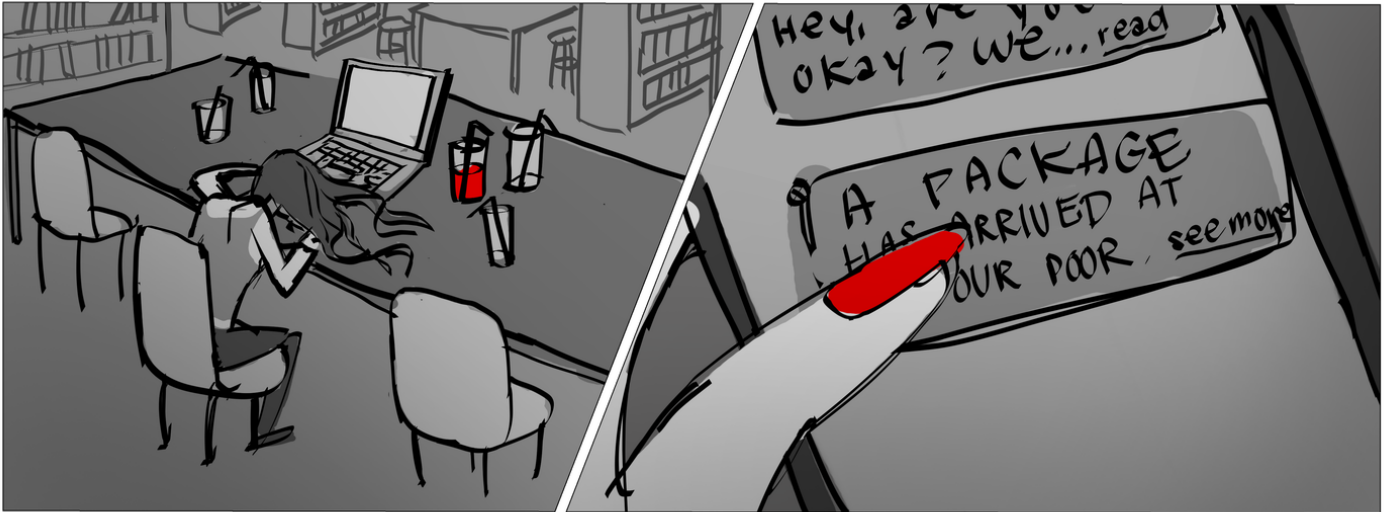

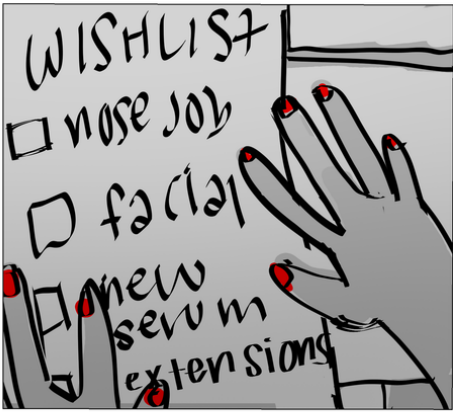

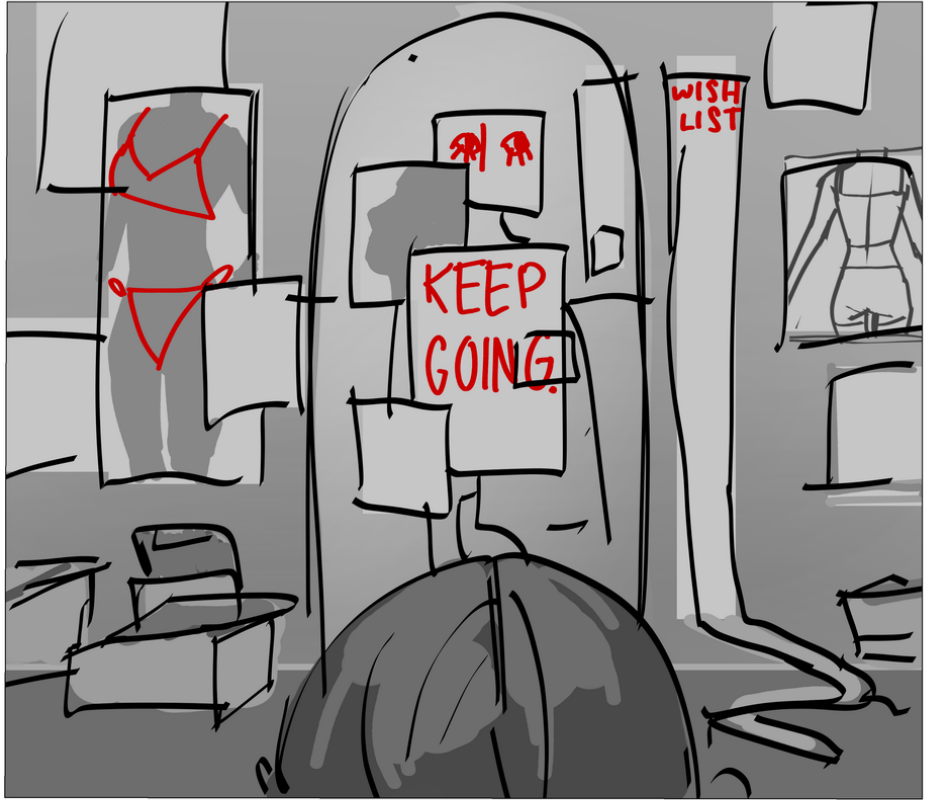

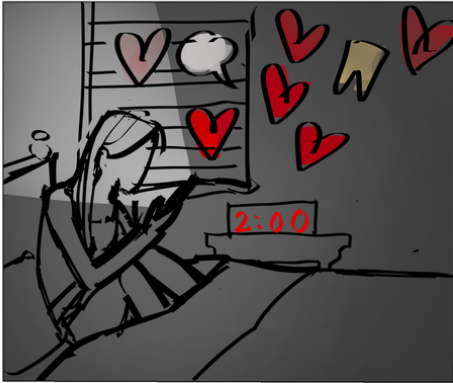

WISH LIST

- ☐ cleanser
- ☐ gua sha
- ☐ dumbbells

I need more.

I don't feel better.

I'm not sure yet.

I'm working on it.

I do know that she's with me, though.

So is she.

That's enough for now.
