Sometimes I think
about editing myself,
my BODY.

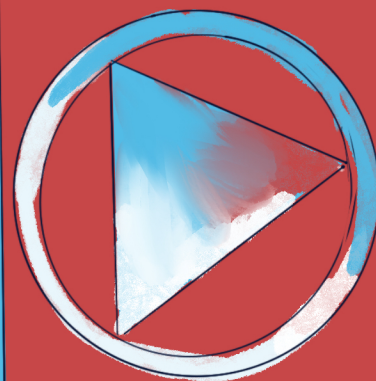

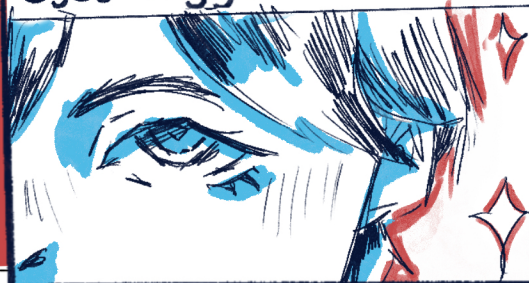

Make my waist smaller

jaw sharper,

eyes bigger.

And the SCARIEST
part is that you can
now.

Or at least...

we pretend
you can.

HOW TO
LOSE
WEIGHT
FAST

CRACK

SMASH
your
bones.

INJECT a drug.

STARVE your
skin.

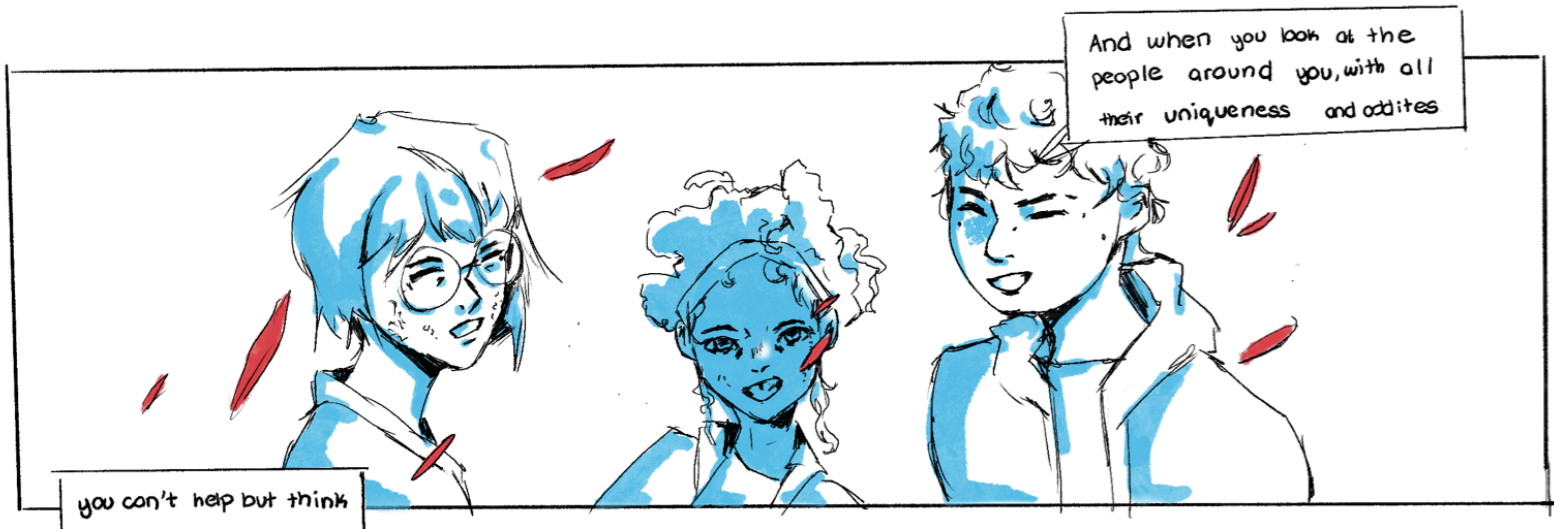

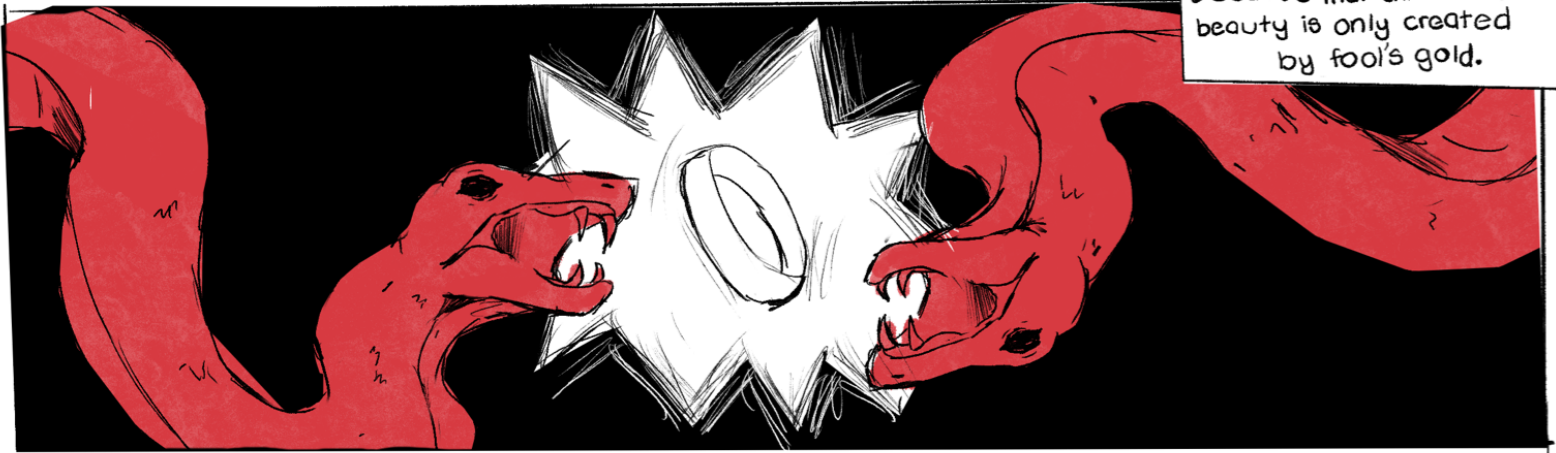

ALTER your face,
marking the baby fat
that clings to a childhood
not yet grown from.

Until eventually

you can't
recognize
yourself
anymore.
