ARPA-H Listening Session: Industry
Tuesday, July 27, 2021
Agenda

This meeting will involve a short overview of ARPA-H (with brief Q&A), followed by breakout sessions to discuss the bold scientific opportunities and critical challenges that ARPA-H may consider addressing and strategies and approaches for doing so. We have invited representatives from different companies and industry groups, as well as individuals from government agencies, to contribute to the discussion.

2:00 PM Opening Remarks

- Present key guiding questions and introductions followed by a brief Q&A with Dr. Eric Lander
- *Speakers:* Eric Lander (OSTP), Tara Schwetz (OSTP), Max Bronstein (OSTP)

2:25 PM Breakout Session 1

- Discussion Topics:
 - Challenges and Barriers
 - Opportunities
- Moderators: Tara Schwetz (OSTP), Max Bronstein (OSTP)

2:45 PM Feedback Session 1

- Brief readouts on breakout conversations from volunteers
- *Moderator:* Larry Tabak (NIH)

3:00 PM Breakout Session 2

- Discussion Topics:
 - Approaches
 - Partnership Strategies and Outcomes
- *Moderators:* Tara Schwetz (OSTP), Max Bronstein (OSTP)

3:15 PM Feedback Session 2
